7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

Implementations of ICT in Teaching-learning

The teaching methods are enhanced by using OHP/ LCD projectors and smart boards for the effective execution of curriculum. Learning procedures are facilitated through e – resources, video lectures, sufficient books and journals, easy access of net connectivity to smooth progress of independent learning.

Library automation

Functioning of library is improved through library automation and installation of OPAC.

Club activities

Two more clubs are initiated. All the six club activities enhance the social skills and responsiveness of the students and renovate them as good citizens.

Value added courses

Certificate course in Spoken English is the compulsory value added course for all the first year UG students which make the students more confident while conversing in English. The University affiliated DCA, DTP, DWD courses, and other job oriented value added courses offered by the institution create the entrepreneur skills and job opportunities of the students in future.

EDC cum Earn While You Learn Cell

In order to promote the students as an entrepreneur the EDC cum Earn while you learn cell is initiated and the students are trained for book binding, jewellery designing, vermicomposting and mushroom cultivation which inspire them to become an entrepreneur. Earn while you learn scheme creates an opportunity for those students living below the poverty line to relieve the burden of their family members to certain extent.

Caring of slow learners

As the college is a centre of education for the rural people, slow learners are mainly focused. The institution takes due efforts to upgrade their knowledge and vision. Remedial and mentoring classes are arranged to them which in turn increase the pass percentage of the University examination results.

Knowledge board

Knowledge board is apprised with current affairs and advancements of all the subjects and updated every day. Based on this Knowledge test “Brain Enigma” is conducted for all the students every year to enrich their intelligence. This practice improves the aptitude of the students in achieving competitive examinations.

Innovation in Infrastructure

Reverse Osmosis system is installed to provide hygienic drinking water facility. Solar energy plants are installed.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

- Self-Study Report (2010 – 2015) was prepared and submitted to NAAC
- Arrangements were made for the NAAC Peer Team Visit.
- The Staff council (Principal, HoDs, Deans, and IQAC team) conducted a meeting to review the proposed annual plan for the previous year. HoDs presented the department annual plan for the new academic year (2014-15).

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

*** *Best Practices has enclosed in the Annexure III***

7.4 Contribution to environmental awareness / protection

- Tree Plantation
- Clean India drive at Veerappa Ayyanar Temple River cleaning.
- One day state level seminar on “Environmental Protection” at V.H.N.S.N. College, Virudhunagar.
- Dengue awareness programme at Oonjampatti Middle School.

7.5 Whether environmental audit was conducted? Yes ☐ No ☒

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strength

- Loyal and Philanthropic management in the development of the rural women.
- Affiliated to the Women University in Tamilnadu which functions with the motto “Empowerment of Women through Education”.
- Extensively supportive Management in administration.
- Highly Committed Management, Principal and faculty members towards academic progress and administration to ensure the quality education among students.
- Eco-friendly campus.
- Well-furnished infrastructural facilities like class rooms, library, and laboratories.
- Offers value added courses to meet the challenging World with all the required skills.
- Dedicated in community service through the clubs like National Service Scheme, Youth Red Cross, Red Ribbon Club, Consumer Club, Green club and Literacy club.
- Resourceful and dedicated faculty members.
- Innovative teaching methodology implemented for improving the learning process. Counseling services and value education classes inculcate the moral values among students.
- Placement cell services enhance the recruitment rate.

Weakness

- Faculty mobility.
- Initiate Institution - Industry collaboration.
- Enhancement of research.
- Insufficient participation of Placement Agencies.

Opportunities

- To develop industry-academia relationship.
- To foster interest and talent based students to pursue higher studies.
- To promote research.

Challenges

- To hone the skills of the students to become good communicators.
- To focus on research.
- Convincing prospective employers for campus selection and placement.

8. Plans of institution for next year

- To launch innovative academic programs in thrust area
- To strengthen the consultancy service
- To upgrade the PG Departments as Research Centers
- To strengthen the labs to enhance the quality of research
- To encourage faculty members to undertake funded projects

Annexure III

7.3 Give two Best Practices of the institution

1. Women empowerment through value added courses

1. Goal

Aim

- To **empower women** in all aspects of their identity and to emancipate women in India.
- To encourage women to go out and explore their desire, destiny and to let them be independent.

Concept

Keeping in mind the vision of the college in holistic development of the students of NSCAS and an attempt to make them global students, the college adds value to the existing curriculum.

NSCAS believes that education is the most powerful tool to empower women with the knowledge, skills and self-confidence necessary to participate fully in the development process. So the institution promotes value added courses and job oriented courses apart from regular classes to the students. It is process of acquiring, providing, bestowing the skills and the means of empowering the access to the students. The institution provides opportunities to the rural women and taught about Entrepreneurship.

“A woman with knowledge is a respectable woman, she has the power to make people listen to her and the charisma that makes people follow her.”

2. Context

- a. Gaining knowledge in field of computer science and applications.
- b. Designing webpage for publication on the internet.
- c. Preparing images with improved quality using computer tools.
- d. Confidence building in communicative English.
- e. Providing skill oriented training.
- f. Stimulating latent entrepreneurial skills.
- g. Keeping abreast of the latest development in cost and management accounting.
- h. Motivating the students in appearing Civil service and Bank exams.

- i. Transforming the students becoming full time and part time journalist.
- j. Providing communication skills in Hindi.
- k. Knowledge about Competitive Examination.

3. The Practice

The college provides twenty two value added courses in various disciplines to the students. Each student can enroll in any one of the course every year/semester. Value added courses are organized with both theory and practical classes. For each course the internal and final examinations are conducted to monitor the development of the students. The management monitors the value added courses through monthly reports and regular visits.

NSCAS offered the following courses

DDE Courses

- Certificate course in speed and smart arithmetic
- Certificate course in export management
- Certificate course in library science
- PG Diploma in Computer Application
- PG Diploma in Management
- PG Diploma in Banking and Insurance Management

The college encourages the postgraduate students to augment their skills through distance education courses from the academic year 2014 – 2015.

University approved Courses

- Certificate course in Spoken English
- Diploma in Computer Application
- Diploma in Web Designing
- Diploma in Desktop Publishing

The college offers one certificate course in Spoken English to all the first UG students to develop the communication skill to the students. The diploma courses are offered for the students to enhance the computer knowledge. These courses are affiliated by Mother Teresa Women's University, Kodaikanal to enable the students develop entrepreneurial abilities in their fields.

MoU Courses

- LAMP
- Tally
- ICWAI (Foundation)
- Android

The MoU signed with three organizations will aid the students to keep stride with the latest technologies pertaining to their preferred arena of studies. The students are trained to develop enterprise level web applications through LAMP course. The Tally course is offered to give an opportunity to the students to get acquainted with Tally Accounting Software.

Courses designed by the departments

- Diploma in Medical Lab Technology
- Dyeing and Consumer Products
- Journalism and Mass Communication
- IAS Guidance
- Coaching for competitive examinations
- Spoken Hindi
- Yoga practice
- Net / Set coaching

To polish and groom the students to meet the tough standards of the competitive world, the college offers nine courses to make the students eligible for professional courses and enhance their knowledge. The college designs the syllabus to these courses. The college conducts these courses to improve the competitiveness of the students, to augment their potential for a good placement at government jobs and to start their own independent ventures.

4. Evidence of Success

Women's Education is Women's Empowerment

- The college alumnae have reported that value added courses facilitated students to think analytically, consider different social and historical perspectives, work as part of a team,

write and speak effectively, gain entry to a career, prepare for career change or advancement and be politically and socially aware.

- Parents believed the financial investment in value added courses was worthwhile and that the intellectual and personal capacities gained are still extremely important to the students.
- The students benefited tremendously from this course and were exposed to very practical concepts and also were trained to make actual calculations related to the aspects. The value added courses enhanced the students' knowledge and promote the working welfare of home based work, especially those in the rural areas.
- The students have an edge over others because of various value added courses conducted apart from the regular classes in coloration with various industry partners and certification body.
- The students got more success at the time of placement interview depends upon their excellent communication skills, vocabulary, verbal and nonverbal communication.
- The students who have completed the LAMP course successfully will be suitable for working as developers in the IT industries.
- The students are more successful in careers; that is, they tend to hold higher positions, are happier and earn more money.
- NSCAS graduates entered the workforce with the confidence and self-esteem that carry their forward – no matter the circumstances or challenges.
- Value Added Course is a strong emphasis on developing a business idea, considering all the factors and then using the business plan to start up a business.
- Students have cleared TNPSC, SET, ICWAI and CA examinations and IAS first level examination.
- Many students are placed at the secured jobs i.e.) both governmental and private sector.

5. Problems Encountered and Resources Required

- Awareness among the women to break open their shells and empower themselves.
- For the expansion of the women empowerment through value added courses resources are required.

2. Services to community through clubs

1. Goal

Aim

To cultivate matured and responsible citizens with high moral, ethical standards, social and environmental consciousness.

Concept

As it is stated “All humans are one, regardless of caste, creed, religion and race. This oneness would bring the world full of peace and harmony”, the institution strides with the motto “Service to humanity”. It aspires to focus on girl children of each and every family of this rural area and bring them up to the level of adequacy through education. It fetches the responsibility of student community to build a bond among the society by the way of sustainable values, high esteem and kindness in all walks of life.

2. Contextual features of club activities

- Extension services for the rural people.
- Better time management
- Career augmentation
- Entrepreneur skill development
- Making green campus

- Red Ribbon Club
- Youth Red Cross
- Consumer club
- Green club
- Literacy club

All the club coordinators carry out the activities of the students to ensure the objectives of the clubs prescribed by the college.

National Service Scheme

The motto or the watch word of the National Service Scheme is: “Not Me but You”. This reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other person’s point of view and also to show consideration for human beings. It underlines that the welfare of an individual is ultimately dependent on the welfare of the society of the whole. Therefore, it should be the aim of the NSS to demonstrate this motto in its day- to-day programme.

The community provides NSS volunteer the firsthand knowledge of living conditions of masses to the NSS volunteer and thus the process of mutual learning starts. The interaction of community with students and teachers while on one hand enrich the personality of student volunteers and on the other hand help the community to improve its living conditions.
