Faculty Accompanied	Dr.R.Shyamalagowri, Dr.C.Angaleswari, Dr.G.Krishnaveni, Ms.S.K.Malarvizhi, and Ms.G.Sivalakshmi.
Beneficiaries	51 Students
Objective of the Programme	Department of Microbiology and Zoology organized Industrial Visit on 20.03.2023- 21.03.2023 to make the students explore the research opportunities in chennai.
Report	51 Students with 5 faculty members started IV from theni by 19.03.2023 at 6.30 pm and reached Chennai by 5.30 am on 20.03.2023. The first day we visited Birla planetarium and Central Leather Research Institute, Chennai the students were excited to see the organization of CLRI with various laboratory facilities for each departments such Microbiology, Biotechnology, Environmental Microbiology and Biochemistry. The faculty and research people explained the various opportunities in Research at CLRI for students and also the functions of CLRI. The second day we visited Spirulina Unit in Chennai, the unit

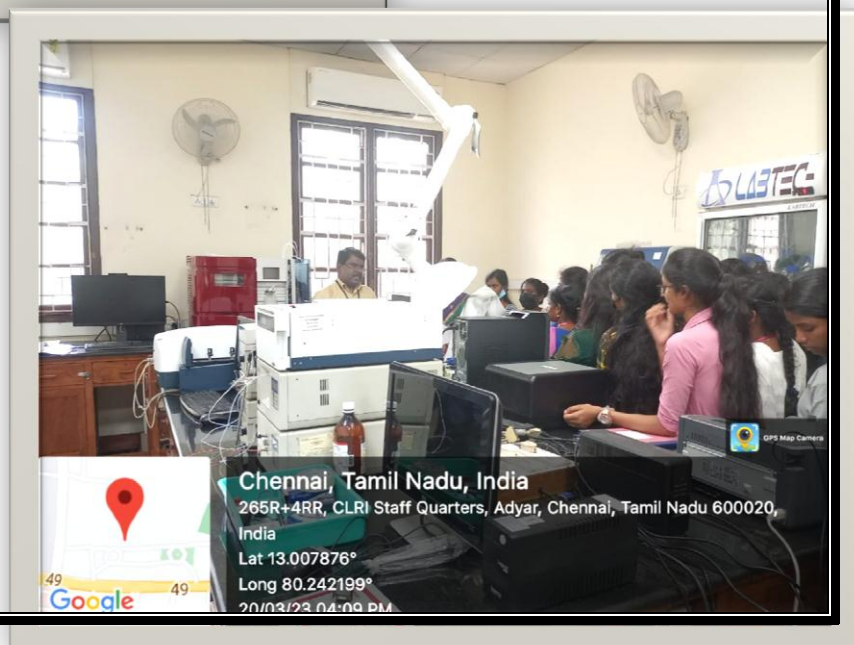

was located in a vast area with various activities and production. The unit engaged in both production as well as marketing for their products. Students visited all the areas of spirulina unit and gained knowledge on production as well as medicinal benefits of spirulina. The day 2 visit also extended to Sea Shell Museum Located in Mahabalipuram where the students could observe the sea shells and the preservation methods followed there. The students enjoyed the trip and gained knowledge for their future.
