Gist of the Programme:

The Industrial Visit Cum workshop was organized for the students of II B.Sc., Microbiology & III B.Sc Zoology. Mrs.S.Josephine, Proprietrix, VIBIS Natural Bee Farm, Madurai gave a brief introduction on the rearing of Honey bee. The students involved themselves with the eagerness in Honey bee rearing. Laboratories and honey combs, honey bee rearing instruments (Box) were explained in detail on maintenance. The queen is the important factor for the rearing and hence it should be retained always. Harvesting of fresh honey to be dated in the dates scheduled so that the production of the honey could be increased randomly. The students were very interested to see the rearing farm lively and the process of harvesting. The motto of the IV cum Workshop was fulfilled with the knowledge gained in VIBIS.
