REPORT ON "INTERNATIONAL PROGRAMMER'S DAY CELEBRATION"

Department of **Computer Science** proudly organized "**International Programmer's Day Celebration"** on **13.09.2022** at 10.00 am in Internet Lab, NSCAS.

The programmer's day has devotional inception with prayer song. **Dr.K.Sivakami**, Head, Department of CS welcomed the gathering and she stated about the history of programmer's day and why we celebrate September 13th as programmer's day. It is the special day to celebrate the hard work and passionate devotion of millions of programmers around the world. As a part of this event, you will get to know how the programmer's create coding and debugging the programs.

Our esteemed Principal **Dr.S.Chitra** and Vice Principal **Dr.A.Komathi** delivered the felicitation address to the gathering and advised the students to learn basic programming on Programmers Day.

Then the following events were incepted.

- o **Coding and Debugging in C for I Years**
- o **Coding and Debugging in Java for II Years**
- o **Coding and Debugging in Python for III Years**
- o **Web Development using HTML and CSS for PG students**

The coders were asked to write and execute a program for the given topic. The debuggers were asked to debug and execute for the given program. The web developers were asked to create a webpage.

On the whole, students were highly encouraged as a programmer, debugger and effective participants of their technical talents in literal way. Prizes were distributed to the winners.

Finally vote of thanks was delivered by **S.Pooja, II B.Sc. CS** delivered vote of thanks.

And the programme ended with National Anthem.
