1.4.2 Feedback Analysis and Action Taken Report of NSCAS on feedback report 2021-22

The Feedback Analysis Committee of the institution designs and collects feedback from its stakeholders to monitor and evaluate its performance quality on curriculum and curriculum related issues. The feedback forms were collected from students, alumni and parents.

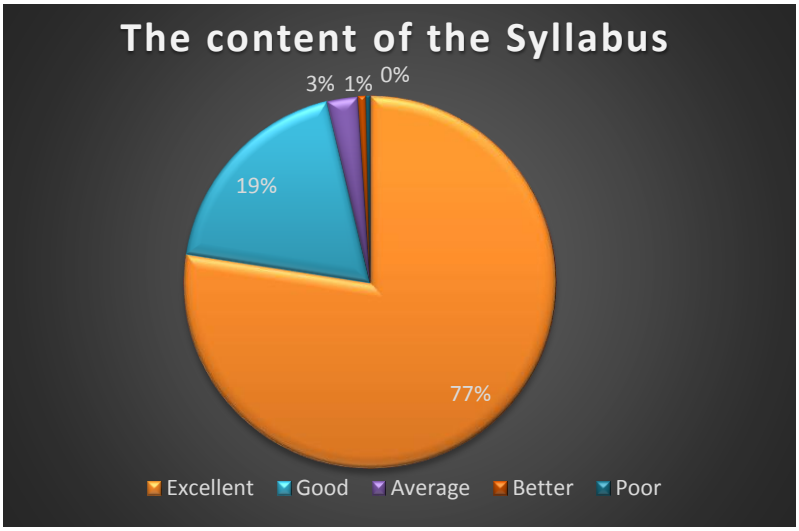

The feedback targets following different content for different stakeholders.

- For students, it addressed curriculum and its learning related issues in terms of quality, competence, skills and professionalism. This feedback also considers other issues like delivery of curriculum by teachers and the available facilities of the supporting services in the college.
- For alumni, it aimed for responses on adequateness of courses curriculum, sufficiency of syllabus content in context of current professional standards and curriculum design in context of development of self-directed learning and problem solving approach and the motivation to their juniors.
- For Parents, it targeted how their ward got improved through the facilities and the opportunities provided by the college and also their expectation for the betterment of the college and ward.

Suggestions	Observation	Action Taken
Curriculum needs to upgrade based on the industry need.	Requested by Alumni	Since our college belong to Affiliated College category, curriculum Updation should be done by the University. Instead the recent topics can be taken as the Short term course by each department to introduce the latest and needy topics.
Curriculum needs to upgrade based on global stage.	Requested by parents	The suggestion put forth towards the Management and resolved by introducing the Incubation center in our college and for the benefit of the students Oncampus company has been initiated.
New bus stop can be created for the benefit ad safety of the students	Requested by the students	As per the approval by the Management 2 new stops have been created by changing the bus route in Kandamanur area. So that 4 village students got benefited.
Concession in Fees payment.	Requested by students and parents	Due to the pandemic situation the parents and students requisition has been considered and permitted to pay the Fees in installment.
Enhancement of the Spoken English among the students	Requested by students	To improve the listening, speaking skills of the students language lab is enhanced with one to one usage in the Language lab through Ladyhack software. It has the assessment part so that the students can be analysed by the tutors.
Support servicelibrary services can be enhanced	Requested by students	This suggestion if fulfilled by registering our college in NDLi, so that every students can login and access billions of books in NDL by using the remote access facility.
